

WHY VISIT THE DENTIST?

Your smile is important! Making regular visits to your dentist helps ensure you continue chewing, talking, and smiling long into the future.

A healthy smile is more attractive!

47% of Americans say the smile is the most important physical attribute.

Caring for your oral health can have a positive impact on conditions like

DIABETES & HEART DISEASE

About **43K** people in the U.S. will be diagnosed with **ORAL CANCER** this year. Early detection by your dentist can increase the survival rate to **90%**

Preventive care, including routine cleanings, is covered at **100%**

when you see a Delta Dental network dentist.

Americans who visit the dentist at least

ONCE A YEAR are **22%**

more likely to feel good about their lives.
