Delta Dental of Tennessee is committed to providing benefits that are easy to use. These benefits will also keep you healthy. See inside for more details on how your benefits plan can protect your health.
Thank you for enrolling in the State of Tennessee’s PDO option. Delta Dental is proud to be the administrator for this plan. This booklet will provide you with information that will help you make the most of these benefits.

What’s New

New Benefit Limitations
Every year the American Dental Association and the Food and Drug Administration review current health research. They make health and dental care recommendations based on those studies. As a result of their recommendations, there are new limitations to your plan beginning in 2011.

- **Bite-wing x-rays:**
  - Bite-wing x-rays for adults will be covered once in two calendar years.
  - Bite-wing x-rays for members age 12 to 18 will be covered once in 18 months.
  - Bite-wing x-rays for members under age 12 will be covered once in a calendar year.

- **Replacement of Crowns, Bridges and Dentures:**
  - The replacement or repairs of crowns, fixed bridges, and partial and complete dentures will now be covered after seven years instead of five years.

New ID Numbers
You will have a new ID number beginning January 2011. Delta Dental will send you a new ID card with the new number. You must use this new ID number when using the Consumer Toolkit* online. You may also use this number at your dentist’s office or when calling Delta Dental. The State of Tennessee and Delta Dental are making this change to better protect your personal information.

Access Your Information Online Anytime!
It is very easy to look up your benefit information with Delta Dental’s Consumer Toolkit. You can access the toolkit 24 hours a day, seven days a week.

With Consumer Toolkit, you can:
- Print ID cards
- Check eligibility
- Review up-to-date benefit information, including available maximum
- Check current and previous claims

The Consumer Toolkit is fast and easy to use. To log in:
- Enter your ID number without extra spaces. This is the ID number on your new ID card.
- Select your relationship to the subscriber. The subscriber is the person whose name is on the benefit package.
- Enter your date of birth in mm/dd/yyyy format.

Once logged in, you can find the information you need using the menu on the left side of the screen.

Protect Your Overall Health
Your oral health and overall health are very closely connected. Stroke, heart disease, diabetes and low birth weight have all been tied to gum disease. Plus, poor oral health makes it hard to consume healthy foods, which affects your entire body. Learn more about how your oral health affects your overall health at [www.DeltaDentalTn.com/OralHealth](http://www.DeltaDentalTn.com/OralHealth).

If you drop your coverage while eligible, you cannot re-enroll in the plan until the next annual enrollment transfer period following 12 consecutive months without coverage, unless you have a life status change.
Frequently Asked Questions (FAQs)

Q. Who Is Eligible For the PDO Plan?
A. You, your spouse and eligible dependents under the age of 26 can get dental coverage under this plan. Review your Employee Insurance Handbook to see if your dependent is eligible. You can get a copy of this handbook from your agency benefits coordinator.

Q. What Dentists Can I Visit With This Plan?
A. You may choose any dentist with this plan. It is best to visit a dentist in the Delta Dental PPO network. Here are some reasons why:

- **In-Network Benefits** – You will save the most money and get the most from this plan when you visit a dentist in the Delta Dental PPO network.
- A Delta Dental PPO Dentist will fill-out and submit claim forms at no charge to you. Dentists who are not in the network may require you to fill out forms or pay a service charge.
- Delta Dental pays dentists in the network an agreed-upon amount known as the maximum plan allowance. You will only have to pay your co-insurance amount if you see a Delta Dental PPO Dentist. That means you are not responsible for charges that exceed the maximum plan allowance. There is no deductible when you visit a Delta Dental PPO Dentist.
- Delta Dental PPO Dentists will not charge you more than your co-insurance amount. You do not have to pay the whole bill and wait for reimbursement.
- A dentist outside the Delta Dental PPO network may charge more than the maximum plan allowance. If you see a dentist who charges more than the maximum plan allowance, you have to pay the difference between the maximum plan allowance and the dentist’s fees, plus your deductible and/or co-insurance. You may also have to pay the entire bill in advance and wait for reimbursement.

Q. Where Do I Get Answers To Questions About Dentists or Claims?
A. There are many ways to find answers to your questions about dentists and claims.

Visit our Web site at [www.DeltaDentalTn.com/statetn](http://www.DeltaDentalTn.com/statetn) to:

- Find out if your current dentist is in the Delta Dental PPO network
- View your benefits
- Print an ID card
- Check eligibility
- Check claims status

Contact Us By Phone

Call us at (800) 223-3104. Our automated phone system is available to quickly answer your questions 24 hours a day, seven days a week. Should you need more help, our Customer Service Representatives can answer your questions Monday through Friday from 7 a.m. to 5 p.m. Central.

Talk To Your Dentist

Talk to your dentist and ask if he or she is in the Delta Dental PPO network.

Q. How Do I Start Receiving Treatment?
A. On or after your effective date of coverage, you may call your dentist and make an appointment.

If your dentist is in the Delta Dental PPO network, he or she will complete and submit a claim for you at no charge.

If you go to a dentist that is not in the Delta Dental PPO network, you may have to submit your claim to:

**Delta Dental of Tennessee**
240 Venture Circle
Nashville, TN 37228

Q. How Do I Pre-Determine My Benefits?
A. You may want to know how much your dental work is going to cost before treatment. Ask your dentist to request a pre-determination. A pre-determination will tell you how much the services will cost. It will also tell you how much you will have to pay. Pre-determinations are not required and are not a guarantee of benefits.
Q. What is Balance Billing?

A. The dentists in the Delta Dental PPO network have agreed to accept a maximum fee for covered procedures. This is the maximum plan allowance (MPA). Dentists in the network have agreed to accept the MPA as full payment and will not bill you for any fees above the MPA.

If you visit a dentist outside the Delta Dental PPO network, you will have to pay for fees above the MPA. This is balance billing. You will also have to pay for your deductible and/or co-insurance.

Delta Dental “Safety Net”— You will save the most money by visiting a dentist in the Delta Dental PPO network. You can also save money by visiting a dentist in the Delta Dental Premier network. Delta Dental has negotiated rates with dentists in the Premier network, which may save you and your family money over seeing a dentist who is not a PPO or Premier dentist. The amount you may be balanced-billed is limited if you see a dentist in the Premier network.

To find out if your dentist is a Delta Dental Premier dentist, visit our Web site at www.DeltaDentalTn.com/statetn or call your dentist’s office.

Q. What Is Not Covered?

A. Delta Dental of Tennessee does not pay benefits for the following:

- Treatment for anything that would be covered by Workers Compensation or Employer Liability Laws.
- Free services from any federal, state, or local agency. Depending on state law, this may not apply.
- Services performed for looks rather than health, such as teeth whitening.
- Services for hereditary or developmental malformations, such as cleft palate and upper and lower jaw malformations. If orthodontic benefits are provided, some of these services may be covered.
- Treatment needed for wear on the teeth, such as erosion due to teeth grinding.
- Treatment to rebuild or maintain chewing surfaces when teeth are out of alignment, or treatment to stabilize teeth.
- Fees associated with instruction on proper oral hygiene and diet, treatment for drugs or medication, unproven treatments, conscious sedation and grafting of tissues formed outside the mouth to oral tissues.
- Charges from a hospital or other surgical treatment facility. Also includes dentist fees for treatment at these facilities.
- Treatment for the jaw joint or myofacial pain dysfunction.
- General Anesthesia or I.V. Sedation is only covered when given by a licensed DENTIST. The anesthesia or sedation must be given in a dental office and must be used for a covered procedure or when medically necessary because of concurrent medical conditions.
- The original placement of a denture that replaces natural teeth already missing when the person’s coverage begins.
- Services by a dentist beyond the scope of his or her license.
- Dental services for which the member is not charged.

While this brochure highlights some of the features of our plan, this is not a Certificate of Coverage (COC). You will receive (or have already received if currently enrolled) a COC that has complete details about your dental plan.

You may also review your COC online at www.DeltaDentalTn.com/statetn.
The following is a directory of licensed Tennessee dentists who have signed contracts to provide professional services under Delta Dental. It is not to be considered a recommendation that a particular dentist be consulted for professional care. Every effort has been made to prepare this list accurately, but Delta Dental assumes no responsibility for possible mistakes or omissions. It should also be noted that the dentists in this directory may not participate in our network for each location listed. We strongly recommend that you ask your prospective dentist about his or her current status with Delta Dental, confirm the dentists’ status through our online directory (www.DeltaDentalTN.com/statetn), or call customer service (800-223-3104) prior to your dentist office visit.

Delta Dental member companies and, with limited exception, Participating Dentists are independent contractors. Delta Dental member companies and Participating Dentists do NOT have a relationship of employer and employee nor of principal and agent. No such relationship other than that of independent parties contracting with each other solely for the purpose of Participating Dentists’ provision of dental care to Delta Dental members may be deemed to exist or be construed to exist between Delta Dental member companies and Participating Dentists. A Participating Dentist is solely responsible for the dental care provided to any patient, and Delta Dental member companies do not control the detail, manner or methods by which a Participating Dentist provides care.
